About Me

Hello! I'm **Santhosh,** a passionate front-end developer from India. I love building beautiful, responsive websites that deliver great user experiences. I specialize in **HTML, CSS,** and **JavaScript,** and I'm always exploring new technologies and design trends.

Recently completed an intensive web technology course at JSpiders Training & Development Center, and excited to contribute to innovative projects.

Projects

Interior & Decors Website

Modern, stylish site for interior design services. Built with ReactJS, Vite, Tailwind CSS, and Framer Motion. Features seamless transitions and a beautiful layout.

Webers Electrical Installation

Professional, responsive website for electrical installation services. Built with HTML, CSS, Bootstrap, and JavaScript, highlighting service offerings and interactive features.

Skills

HTML5

CSS3

JavaScript	Tailwind CSS
